ADAPTIVE RESILIENCE SOLUTIONS

Wildfires

With Summer on the way and the predicted El Niño, the best time to Prepare is now.

How to Prepare

The below will help you prepare and keep your Family safe, if a Wildfire starts in your Region.

Things to think about

- Keep your Fuel Tank Above Half full, In case of Evacuation.
- Keep you important Documents somewhere easy to Grab in case of Evacuation.
- Have a Grab-n-Go Bag with all your essentials for you and your pets.
- Plan with Friends or Family, Who can you stay with if you get Evacuated?
- Do you have insurance that includes Fire?

Preparedness

- Keep a Clear buffer zone between 10-30M around your house
- Plant Non-Flammable Plants near your house
- Keep Wood Stacked away from the house
- Have a Water tank with approved Firefighting fittings

Finding Info

Finding info is the easy part, but finding the right info can be Tricky.

At Adaptive we would like to make it easy for you to find real information by approved providers:

FENZ has some great information though there "checkitsalright" site,

Key this into your web browser for more info:
www.checkitsalright.nz/prepare-for-wildfire

Facebook can have some good info and good community outreach, make sure to follow:

- **Nelson Marlborough – Fire and Emergency**
- **Nelson Tasman Civil Defense**

Antenno App

The Antenno App lets you know about what's happening in your area from water and power shut downs to road closures, extreme weather, and your local recycling and rubbish schedule. It also allows you to log complains with council in just a few clicks.
